SECTION I
EXPLANATION OF ENTRIES AND RELATED INFORMATION

1-1. **Purpose.** This pamphlet provides a numerical listing of all U.S. Army Materiel Command (AMC) administrative publications, blank forms, and reports control symbol (RCS) reports.

1-2. **Applicability.** This pamphlet applies to Headquarters (HQ) AMC; Major Subordinate Commands (MSC), including subordinate installations and activities reporting directly to HQ AMC.

1-3. **Classified publications.** Publications classified SECRET, SECRET-RESTRICTED DATA, or CONFIDENTIAL are identified by the symbols (S), (SRD), or © preceding the title. The titles of such publications, if unclassified, are followed by (U). The symbol (O) denotes a publication is FOR OFFICIAL USE ONLY.

1-4. **Proponent responsibilities.** Proponents of publications are responsible for keeping their publications current and providing AMCIO-I-SP written notification when proponent responsibility has been transferred or when a publication is rescinded or eliminated. Proponents of forms or reports will advise the HQ AMC Forms Officer (AMCIO-I-S) or the Reports Control Officer (AMCIO-F) of any omission, update requirements, or corrections.

1-5. **Publication Control Officers (PCO).** A list of all HQ AMC and MSC PCOs is found in section VI. MSCs will exchange copies of produced indexes.

1-6. Forms.

a. The office symbol of the proponent (office of primary responsibility) is shown in the fifth column.

b. Unit of issue. The unit of issue of each form is shown in the fourth column by use of code as described below:

CD (Card) - Form is printed on heavy paper stock.

CS (Cut Sheet) - form is printed on a single sheet of paper.

FL (Folder) - Folded binder for filing loose papers.

PD (Pad) - cut sheets or more copies of a form fastened together, usually with snap-out carbons interleaved.

ST (Set) - Two or more copies of a form fastened together, usually with snap-out carbons interleaved.

STCONT - Continuous, marginal punched sets, perforated (continuous pin for easy separation; for use on electrical feed accounting machines).

c. Prescribing directive. The sixth column lists the publication, which prescribes the form.

d. Local reproduction authority. The letter "R" after a form number indicates local reproduction authorized (LRA). Such forms are illustrated in their prescribing directives.

e. Electronic generation of forms. The letter "E" after a form number indicates electronic generation. Proponents will include authorization for electronic generation in the prescribing directive.

The proponent of this pamphlet is the United States Army Materiel Command. Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms) to the Commander, HQ AMC, ATTN: AMCIO-I-SP, 5001 Eisenhower Avenue, Alexandria, VA 22333-0001.
